What is the College of Commissioner Science?

College of Commissioner Science is one of the best ways for commissioners to get continuing education in their critical role. It is modeled after a traditional college, with course requirements leading to Bachelor's, Master's, and Doctoral "degrees" in Commissioner Science. The faculty has been selected from among the most capable trainers available.

For all current and future commissioners, including:

Unit Commissioners, District Commissioners & Assistant District Commissioners, Roundtable Commissioners & Assistant Roundtable Commissioners, Other Commissioners and Interested Scouters

Degree Requirements:

Bachelor of Commissioner Science Degree (BCS)

Prerequisites

1. Maintain registration in any capacity as a Commissioner during the entire training program listed below.
2. Complete Commissioner Orientation (Commissioner Fieldbook)
3. Complete commissioner basic training.

Course Requirements

Complete a minimum of seven (7) courses of instruction, at least five (5) of the courses at the Bachelor's program level as listed in the Continuing Education for Commissioners manual.

Performance

1. Approval of Council or assigned Assistant Council Commissioner
2. Approval of Scout Executive or Advisor to Commissioner Service

Master of Commissioner Science Degree (MCS)

Prerequisites

1. Completion of bachelor's degree.
2. Earned Arrowhead Honor.
3. Current registration as a commissioner.

Course Requirements

Complete a minimum of seven (7) additional courses of instruction (total of 14), at least seven (7) of the courses at the Master's program level as listed in the Continuing Education for Commissioners manual.

Performance

1. Approval of Council or assigned Assistant Council Commissioner
2. Approval of Scout Executive or Advisor to Commissioner Service

Doctor of Commissioner Science Degree (DCS)

Prerequisites

1. Completion of master's degree.
2. Have been awarded the Commissioner's Key.
3. Current registration as a commissioner.

Course Requirements

Complete a minimum of ten (10) additional courses of instruction not used to qualify for other college awards (total of 24), at least five (5) of the courses at the doctor's program level as listed in the Continuing Education for Commissioners manual.

Project or Thesis

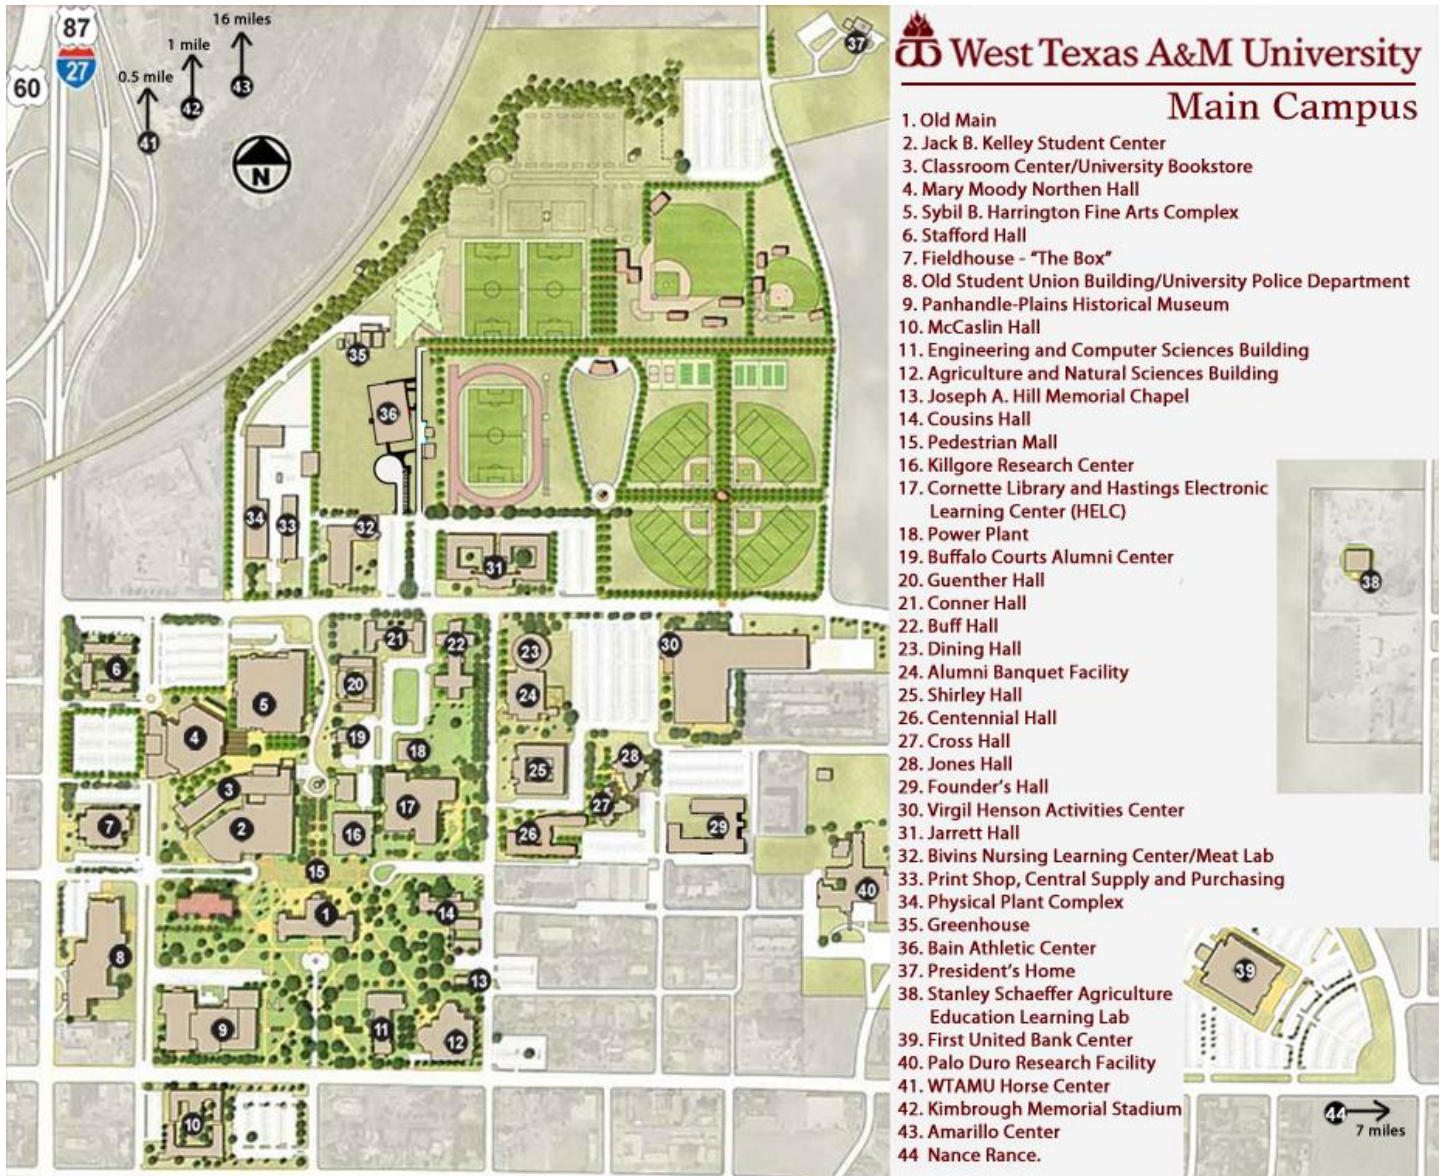

1. Completion of a project or thesis.
2. The project or paper topic must be approved by the Dean of the College of Commissioner Science.

Performance

1. Serve on the College of Commissioner Science faculty (instructor or support staff) or work with training support for commissioners for at least one year.
2. Recruit at least three new commissioners at any level.
3. Approval of Council or assigned Assistant Council Commissioner
4. Approval of Scout Executive or Advisor to Commissioner Service

Come join us!

If you complete the prerequisites beforehand
1. Be a registered commissioner; 2. Complete Commissioner Orientation in the Commissioner Fieldbook; 3. Complete commissioner basic training. You will earn your bachelor's degree after attending the College.
