

Lifeguard Training

This exciting course is for anyone who is currently a BSA Lifeguard and needs to be recertified **or** anyone who wants to become a BSA Lifeguard. If you do not have CPR for the Professional Rescuer and American Red Cross First Aid (a prerequisite to receive Lifeguard certification), you will have to take those classes and they are offered on May 16 & 18 respectively). If you can't attend, you can still take Lifeguard Training, however your Lifeguard Certification will be mailed to you after proof of CPR/First Aid is provided to the Lifeguard Instructor.
