

**15<sup>TH</sup> ANNUAL SPORTING CLAYS CLASSIC**  
GOLDEN SPREAD COUNCIL | BOY SCOUTS OF AMERICA

**2017 SPORTING CLAY CLASSIC**  
**FRIDAY, AUGUST 11 & SATURDAY, AUGUST 12, 2017**

It's hard to believe, but this year marks the Golden Spread Council's **Fifteenth Annual Sporting Clays Classic**. The 2017 Classic will take place **August 11<sup>th</sup> and 12<sup>th</sup>, 2017**. Over the past 15 years we've grown from the 24 teams and 96 shooters that shot in the inaugural event to an anticipated 75 teams and 300 shooters this year! We expect shooters from Texas, Oklahoma, New Mexico, and Colorado. All proceeds from the shoot support our local Scouting programs.

In 2016, we hosted 288 shooters and 225 volunteers, making our tournament one of the largest shooting events in the Texas and Oklahoma panhandle. A major feature of this annual event is the Friday Night Tournament Dinner and Auction. Last year, over 600 people attended the Friday night Dinner and Auction, and we anticipate a crowd of over 650 this year, as this portion of the event continues to grow every year too.

Friday night's silent and live auction generates a significant portion of the event's overall proceeds; thus, our success depends largely on the generosity of businesses like yours.

**We respectfully request that you or your company consider donating an actionable item to this important event! Any and all donated items will be appreciated – and the proceeds from your donation will ultimately help to fund our local Scouting programs.**

Donated items may be mailed or shipped directly to our council address or, if it's more convenient you can call the council office (806-358-6500) to arrange to have items picked up. **All gift items are needed in our hands no later than Friday, July 28, 2017.** In return for your generosity, we will promote your company to all of the participants and volunteers in our 2017 Sporting Clays Tournament. Our tournament advertising, signs, auction booklet, and other printed materials will acknowledge the businesses that have contributed to again making this event a success – and we hope you and your company will be listed among them!

With best regards,

Bob Altman  
Sporting Clays Staff Advisor
