

Request To Use Camp Field Sport Range

In addition to attached BSA safety policies and procedures, the council camping committee, with Executive Board approval has established the following rules related to use of council camp field sports range and equipment

1. Review carefully all regulations and safety rules related to "Guns and Firearms" attached.
2. The council will furnish guns. Target or ammunition may be purchased at camp if available. (see back)
3. Only BSA approved firearms can be used on camp range.
4. Guns and ammo must be transported by adults separately and locked up when not in use.
5. A deposit of \$\_\_\_\_\_ is required at the time of this request for use of Council Firearms. If firearms are not returned clean and in good condition this deposit will be retained by the council.
6. The council will furnish the bow, arrows and targets, if available.
7. Packs may use range and single shot BB guns only. Pack to provide BB guns.
