Merit Badges for OKPIK Winter Adventure Camp

All merit badges are listed as to whether they are a half day or full day course. The scout must choose which merit badges as well as any additional classes he would like to earn and sign up for the merit badges when doing online registration. The merit badge counselors are asking that Unit Leaders look at the merit badges that their scouts sign up for and if there is any requirements they may need to complete prior to the class or as a pre-requisite. The counselors have also asked that the scout brings writing material. The merit badge work book copy will be provided. There is a counselor for each merit badge that we have to offer our scouts this year however we always encourage adult participation, involvement, and assistance.
