

A detailed illustration of Lord Baden-Powell, the founder of the Scout movement, wearing his iconic Scout uniform. He is depicted from the chest up, wearing a brown wide-brimmed hat, a light-colored shirt with a dark neckerchief, and a brown jacket with a green sash. He has a white mustache and is looking slightly to the left with a thoughtful expression. The background is a soft, light blue.

All Golden Eagle District Boy Scout Troops & Cub Scout Packs are invited to a day of scout skills & fun at Thompson Park #36. This is an excellent opportunity to participate in hands on learning & scout skill demonstrations from each unit.

Set up times will be arranged by Wayne Benson. All participating units will need to be prepared for public arrival and participation at 10am. Overnight camping is not allowed, but building model camp sites with tents and proper equipment is encouraged.

Each unit is encouraged to have its own unique hands on skills, demonstrations, and/or games. Here is a list of possible available skills:

Tent setup, pioneering projects, flag semaphore, knot tying, rope making, first aid, nature study, orienteering course, camporee style games, and many more. Fires are limited to cooking pits only, and skills should be something fun to share with other scouts and public visitors.

To sign up, or for more information please contact Wayne Benson (806) 681-8799
