

GOLDEN SPREAD COUNCIL

COLLEGE OF COMMISSIONER SCIENCE - 2019

(ROUNDTABLE EDITION)

WHO: YOU! ALL OF YOU! We are doing things a little differently this year...and are inviting any adult leader (not just Commissioners) who would like to be a part of this special training!

We are also taking on a NEW training challenge and will be focusing this day of learning on growing and improving our Roundtable Trainings! Quality Roundtable Trainings are one of the most important areas of Commissioner Service - affecting Units, Districts, retention and the overall health of the Scouting program.

The objectives are to help Commissioners/Volunteers/Professional Scouters expand their skills and unit service philosophy. Each course will help you provide better Unit/District/Council service!

- If you are new, then come and learn.
- If you know everything, then come and teach.
