## **Annual Meeting With Chartered Organization**

The annual meeting between the executive officer of a chartered organization and the district professional, or in appropriate cases his or her designee, should be scheduled at least 90 days prior to the renewal date of the unit's charter. If problems in renewing the unit's charter are anticipated or there is significant corrective action needed, the discussion should be held early enough to allow time to take positive corrective action before the renewal deadline.

The meeting must be a face-to-face discussion, as the concept of working together is central to mutual long-term success. Be prepared by reviewing *Scouting: It Works for Your Youth.* The video can be downloaded from <a href="https://www.scouting.org/Membership/Charter\_Orgs.aspx">www.scouting.org/Membership/Charter\_Orgs.aspx</a>.
