

2019 Spook-O-Ree

Guidebook

WHO:

This event is open to ALL Cub Scouts (Lions, Tigers, Wolves, Bears, Webelos, & Arrow of Light) and their families. Siblings may participate in most activities but please allow Cub Scouts to do the activities first so they all get a chance. Siblings in Kindergarten and below cannot shoot BB Guns as it is against National BSA Policy for children 5 years of age and under to shoot BB Guns.

Additional limitations may occur dependent on specific camp activities. If you have multiple Cub Scouts, they each should be registered as Cub Scout participants to be allowed full participation.
