

September 18-20, 2020
Camp MK Brown

The **Masked Webelos**

Webelos Woods is a campout designed to introduce Webelos Scouts to the adventures of Scouts BSA and introduce scouts to the many troop opportunities within the Golden Spread Council. This weekend has five objectives: recruitment/introduction (bridging to Scouts BSA), retention in scouting after bridging, rank completion, meet other scouts in the Golden Spread Council, and developing leadership skills in older scouts. This weekend will assist scouts in what scout life is like after cub scouting.

The cost for Webelos Woods is **\$60.00** for youth and **\$35.00** for adults. This price includes cracker barrel on Friday night, all meals and cracker barrel on Saturday and breakfast on Sunday, camp support and for the youth a patch and all program supplies. The registration can be found online at www.goldenspread.org. The deadline for registration and payment is September 4, 2020.

Note: Schedule and events may change due to changes in the program and policy as well as BSA guidance as to COVID 19

Program

This event includes patrol-method camping and scout activities. Each patrol will have an older Scout as a Troop Guide to assist each patrol. This camping adventure will help prepare scouts for bridging to Scouts BSA and provide an opportunity for them to participate in fellowship and inter-patrol competition.

Patrols will be created at check-in, therefore if Cub Scout units want all their scouts to be in the same patrol, it would be best if they all need to check-in together. Patrols should enter camp with all patrol members present. **Note:** Though it was desired that all scouts sleep in one or two tents as a patrol without parents as it is done in Scouts BSA, current Council policies require scouts to be in a tent by themselves or with family members. **(May change due to BSA policy for COVID 19)**

During the weekend, Webelos patrols will learn scout skills that are required for their rank with the first part learning the new skill, then demonstrating those skills with a competition. Leaders may want to purchase a Scout Handbook and read the chapters on camping, cooking, first aid, and the sections on knots. Basic skills to be learned but not limited to: basic first aid, scout skills, hiking skills, and knots (square, taut-line, clove hitch, two half hitches, bowline, sheet bend). The patrols will be judged on patrol flag and yell, leadership, teamwork, skill demonstration and scout spirit. **Note:** dens can bring their own patrol flags to camp. Materials will be made available and time set aside for scouts to create flags while at camp. (For more information on

weekend events see schedule below). Lastly, there is an all weekend scavenger hunt competition. Scouts should always be on the lookout for scavenger hunt items.

Registration and Check-in

All scouts and adults should complete all check-in procedures before the opening ceremony at 8:00 pm. Check-in may take longer time than usual due to COVID 19, therefore, participants are encouraged to arrive early. Check-in for Webelos will be at the Lew Benz Administration Building located near the parking lot. A Troop Guide will meet you in the parking area to assist you in the check-in procedures and lead each patrol to their campsite. Any participants arriving after 7:15 pm will be escorted to their campsite after the opening program.

All vehicles will park in the main parking area at camp and one leader will proceed to the Administration building to check in. After check-in you will have time to set-up camp. Each Scouts BSA unit will be given two passes to drive their vehicles into the campsite areas to drop off gear and trailer, then all vehicles must move back to the main parking lot. Only one Scouts BSA unit trailer will be allowed at campsites. Webelos Scouts gear will be transported to the campsite determined by the Camp Ranger whether by unit vehicle or camp trailer. This will enable us to maintain a safe and secure camp.

As stated above, all patrol assignments will be given at check-in. During this weekend, scouts will be encouraged to be a patrol unit by entering camp as a patrol, participate as a patrol, eat as a patrol, and leave camp as a patrol. (Note: encourage scouts to wear field uniforms (Class A) while driving to camp as Scouts BSA do when going to camp or camping weekends.)

Camp maps, schedules and campsite assignments will be given at check-in. Also, maps are available on the Golden Spread Council website. If there is a medical necessity or physical disability that staff needs to be aware of prior to camp, please notify the Council office immediately so we can make those arrangements.

Leadership

In most cases, the Webelos Scout will be under the supervision of their parent or guardian. It is essential that each Webelos Scout be under the supervision of a parent-approved adult (Guide to Safe Scouting). If a parent cannot attend, arrangements must be made for another youth's parent (not the Webelos den leader) or another adult to be a substitute. No parent should be responsible for more than one youth other than their own.

Uniforms

Field uniforms (Class A) are to be worn for Troop Campfire, Flag, and for Breakfast and Dinner Meals (This is similar to BSA Camps) or Unit shirts (Class B) uniforms are to be worn for daily station times, cracker barrels, campfires and group activities.

No camouflage clothing, military BDU's, or clothing promoting, or advertising tobacco, alcohol or drugs will be allowed.

In the Dining Hall, shoes, pants or shorts, and a shirt is required. Hats will be removed while in the Dining Hall. Closed toe shoes are required at camp due to thorns and hazardous rock areas.

Cracker Barrel

A cracker barrel is an evening snack and time for fellowship with other Scouts or Scouters. The term cracker barrel is most thought to come from the time when people would shop at their local general store and gather around the cracker barrel to sit and visit with others in the community, much like the modern-day water cooler. The food is typically kept simple, such as cheese and crackers, summer sausage, chips and cookies. On campouts, many troops have a Friday night cracker barrel with the leaders and youth leadership to review the weekend schedule.

A cracker barrel will be held on Friday and Saturday night at 9:30 pm.

Scavenger Hunt

Throughout the weekend there is a scavenger hunt challenge. The patrol who collects the most items will be declared the winner. Collect as many as the items as possible.

Campsite Information

Due to the large number of Scouts and Scouters attending Webelos Woods, there may be more than one Patrol placed in a campsite. IT IS IMPORTANT that everyone be aware of this campsite situation and be prepared to cooperate with us by condensing your Patrol camping area as much as possible so that other Patrols may also share the assigned campsite with you.

The Camp Shower house and Latrines will be available for your use. We expect you to control their use and maintain their cleanliness. Any damage or abuse will result in them being closed.

Scout BSA troops will be camping as well. At no time are Patrols allowed in Scout BSA camping areas without permission from the Troops Senior Patrol Leader and Scoutmaster.

For Scouts BSA Troops, campsites will be assigned due to limited spaces. Troops may be sharing campsites.

All campfires, with camp ranger's approval, will be conducted at the Scouts BSA campsites. No campfires will be allowed at patrol campsites.
