SCOTT KILIAN'S BLOG

From the Assistant Scout Executive Scott Kilian

I'm excited to get the camps up and running for all our Cub Scouts and Scouts BSA and with that said, we need your help! On April 1, (April Fool's Day) we are scheduled to have a **Camp Don Harrington Workday** to get the camp ready for summer activities. This is pure manual labor, so no specific skills are required! Every adult is welcome to help and the more we have, the more we can get done. There will be something for everyone who registers online at: <https://scoutingevent.com/562-CDHWorkDay>. We will feed you a nice lunch so please help out!

Speaking of Camp and Activities, we have lots of them coming up starting in March with **Scouting for Food and ending with Cub Scout Resident Camp** in July with all kinds of fun in between. Please check out the online Registration Calendar for all CURRENT events. The hard copy calendar (which is also online) is current as of the date it's published in May but things change so please go to the Registration Calendar at www.goldenspread.org for the latest.

There has been some recent issues with Cub Scout Camping and not following BSA guidance in order to keep everyone safe. Here are the rules on Cub Scout Camping:

The Boy Scouts of America has established the following guidelines for a safe and quality camping experience. Fundamental guiding principles for camping:

- Supervision of camping activities must include qualified, registered, adult leadership.
- At a minimum, one leader present is current in **Hazardous Weather Training** for all unit types. It is recommended that all leaders complete this training every two years.
- Additionally, at a minimum, Cub Scout Packs and Webelos / Arrow of Light Dens who camp overnight must have a **BALOO trained** leader present. It is recommended for all Cub Scout leaders.
- Local council approval is needed for unit-coordinated overnight camping activities involving other units not chartered by the same organization. Units that wish to host events involving other units that do not share the same charter partner must have approval from their council. This includes events for packs, troops, crews, and ships from the same council; neighboring councils; the same territory; or other territory.

SCOTT KILIAN'S BLOG

From the Assistant Scout Executive Scott Kilian

Activities must be **age- and skill-appropriate** for all participants.

By design, added program-centric requirements and limitations to camping are also present. Those are introduced in training modules required of unit leaders and specified in other sections of the *Guide to Safe Scouting*.

Cub Scout camping is limited to their council's designated locations with appropriate facilities. Councils use Pack Overnight Campout Site Appraisal Form (www.scouting.org/wp-content/uploads/2018/07/430-90218-PackOvernightForm_Fillable.pdf) to review and designate locations.

- Units can request from their council a site appraisal but cannot do their own appraisal.
- Cub Scout pack unit coordinated camping is limited to **single overnight experiences**.
- Cub Scout camping is a family-centric program.
- Cub Scout youth may tent with a parent or guardian as outlined in Scouting's Barriers to Abuse.
- Cub Scout youth should attend the camping event with their parent(s)/ guardian(s).
- **Lions and Tigers must have their adult partner present to take part.**
- For all other ranks: only in exceptional circumstances, a Cub Scout whose parent or legal guardian cannot attend a unit overnight camping trip may participate under the supervision of another registered adult member of the BSA, a parent of a Cub Scout who is also attending. The unit leader and a parent or legal guardian must agree to the arrangement, and all Youth Protection policies apply. **At no time may another adult accept responsibility for more than one additional "non family member" youth.**
- Webelos and Arrow of Light Den Camping: Each Scout should attend with their parent(s) or guardian(s). A Webelos or Arrow of Light Scout whose parent or legal guardian cannot attend a den overnight camping trip may participate under the supervision of at least two registered leaders. The leaders and a parent or legal guardian must agree to the arrangement, and all Youth Protection policies apply.

SCOTT KILIAN'S BLOG

From the Assistant Scout Executive Scott Kilian

- Only Webelos and Arrow of Light dens may conduct den coordinated campouts. Den camping only includes the Webelos or Arrow of Light youth. As with pack coordinated campouts, the den must have a BALOO trained adult leader in attendance and all Youth Protection policies apply.
- Webelos/Arrow of Light Den Camping may participate and camp at a Scouts BSA troop unit campout. All Cub Scout camping requirements still apply, including the den must have a BALOO trained adult leader in attendance and all Youth Protection policies apply.

Webelos/Arrow of Light Dens may only participate at a Scouts BSA “camporee” as day visitors.

These rules are not new but sometimes we don’t get it right because we don’t know! I hope this clarifies some key points which are in **RED**.

Have a great summer and I look forward to seeing you around the campfire!!!

SCOUTING FOR FOOD!

Scouting for Food is an annual food drive that has traditionally taken place in Amarillo in conjunction with the High Plains Food Bank. On average, the food drive raises about 4,000 meals.

Two years ago, we saw that some folks were still not opening their doors due to lingering Covid concerns. So, we added a QR code that allowed donors to make online monetary donations to the Scouting for Food drive. In 2021, we still raised about 4,000 meals with canned food donations, but we also saw several monetary donations come into the drive. In 2021, we raised 13,862 meals. We still want to raise meals through canned goods, but often people see this as an opportunity to get rid of that soup they bought 20 years ago. As a result, nationwide, up to 70% of food that is donated goes to the trash bin. So, we are trying to push canned goods along with monetary donations. With monetary donations, the High Plains Food Bank and their local partners have bulk buying power and can make \$1=13 meals.

Last year, in an effort to grow Scouting for Food, the Golden Eagle District expanded the drive to Canyon, Hereford, and Friona. In 2022, we saw the meals raised amount skyrocket from 13,862 meals to 72,840 meals raised.

This year, the Golden Eagle District Committee and Golden Eagle District Program Committee are asking for all Canyon, Hereford, and Friona area units to join in the Scouting for Food drive.

Canyon Rotary Club has already committed \$2,000 to the drive which means Canyon has already raised 26,000 meals.

Canyon Lions Club and Canyon Rotary Club member Arana Hagan will be spearheading the Canyon drive. Last year, Pack 56 in Friona raised 9,507 meals with just 4 scouts participating. When I mentioned this to the Rotary Club, Rotary Club President Cameron Rosser said "Canyon can do better than Friona." This year, we are pushing to raise 100,000 meals throughout the Golden Eagle District. My goal over the next 3 years is to raise one meal per person per town.

Canyon Mayor Hinders will be calling the mayors of Hereford and Friona to challenge them to a meals' raised drive. Amarillo area units will be competing against each other to see who can raise the most meals in Amarillo.

We have been hard at work learning about Our Community this past month! We have talked about famous Americans, learned about the U.S. flag and how to fold it properly as well as what can be recycled. We learned other ways that we can help our communities out by trash pickup, how not to waste water and how to keep a chart of our household chore duties.

After all of that hard work though, there has to be play time and the youth at Bivins Elementary are showing us how to wind down playing a fun balloon game!
