SCOTT KILIAN'S BLOG

From the Assistant Scout Executive- Scott Kilian

It's recruitment time for the Golden Spread Council and we are excited to recruit hundreds of new boys and girls into your pack!

Our staff has been preparing for this over the last two to three months talking to school superintendents and principals to arrange to talk to the children and get the school doors open when they are supposed to be. We have a great relationship with the schools, and we appreciate their support.

Where can you help? You can help by attending the recruitment night and having a short (2-3 minute) presentation about what your pack does, when and where they meet, and all the cool things that you have done and are planning on doing. Please don't use scout lingo if possible - saying we are attending the Spook-O-Ree means nothing to a non-scouter but you can say we are attending a fun, fall themed event at Camp Don Harrington in late October and we shoot BB guns, paint pumpkins, go on a hay ride, and get free face painting for all the scouts! These are just a few fun things we will do as a group.

Your District Executive has done a great job in working with each pack's leadership while making sure someone is representing your pack at each school. If you need more information, please contact your District Executive.

We are also working with community members to start new packs and troops and we need your help with that. If you know of an organization that has children 5 to 17 and need to have a discussion about scouting can help them grow, please let your District Executive know. We are looking for church youth groups that may need more structure and/or programming to help them with their youth ministry. How about a business or civic club who would like to sponsor (charter) a new unit in the community? We are always looking for those types of opportunities and you might be able to help.

As a reminder, the Cub Scout Family camp will take place at Camp Don Harrington this year on September 23rd, and we hope your pack will attend. This was put into place to offer all the new scouts an opportunity to bring their family to camp and have some fun and start creating the memories of scouting but it's open to all cub scouts and their families. Many of you attended last year and it's a very small taste of what's to come which is the Spook-O Ree. Please pass the word and get registered today at: <https://scoutingevent.com/562-2023CSFamWeekend> Have a fantastic pack recruitment this fall, and I'll see you around!!!

REMINDER: Changes to Cub Scout Overnight Camping take effect September 1st!

Effective September 1, 2023, Cub Scout packs who are conducting their own overnight camping activity may now camp up to TWO consecutive nights. Cub Scout packs who are conducting their own overnight camping activities must continue to have at least one registered adult leader who is trained in Basic Adult Leader Outdoor Orientation (BALOO), oversees the planning, and is in attendance for the pack campout. This updated policy also applies to Webelos and Arrow of Light dens who may conduct den coordinated campouts. The policy will be updated in the Guide to Safe Scouting and other resources on September 1. An updated version of BALOO training will also be released at this time.

ACTION: Reminder that Cub Scout camping is limited to their council's designated locations with appropriate facilities. As councils prepare to communicate this change to their local packs, now is the time for the council to review the approved Cub Scout overnight campsites and make any necessary updates. As this announcement is communicated to your packs, it is important to ensure that your council's list of approved pack overnight camping locations is easily accessible from your website and is included in your communications.

For additional information regarding Cub Scout camping, including required youth protection policies, please review the Guide to Safe Scouting.
