

Upcoming Recharter and Membership Changes

(subject to change by the National Office)

General Information

- All new members that registered on August 1, 2023 and beyond, are paid for 12 months from the first day of the registration month.....i.e. August 15, 2023 through July 31, 2025.
All membership is based on the Anniversary of when the member joins.
- These members will receive an email from the BSA National Office to pay their registration by Credit Card approx. 60 days from the expiration date. In addition, the Unit Chartered Organization Representative, Committee Chairman and Key Leader will also receive this email in case of an incorrect email address. At the 30 days, 15 days, 7 days, and 24 hours before the registration expires, the members will receive reminder emails to pay the fees.
- If a parent receives a renewal email, they may opt out of paying the fee.
- Accurate emails on all applications are paramount as this is the only way the BSA will be able to contact members for membership renewal.

Unit specific Information

- Units will have the option to change the setting on their roster in my.scouting.org to indicate whether or not they will pay for **ALL** Members **or** some members **or** no members at the time of their membership renewal.
- For units to pay for their membership renewal throughout the year, the unit must have a Credit Card/or E-check on file through the National system. This is **only if** the unit elects to pay for membership online for those who have joined after August 1, 2023. The unit **MAY** also pay for those members at the Scout Service Center with Cash or Check or Unit Account. No credit cards will be accepted.
 - ^ If the unit chooses to pay for a member's renewal, the email from the BSA will not be sent to the email address on file for the member.
 - ^ Units may choose to "opt-out" of paying for a member if they quit attending or have notified the unit they will no longer be participating in that unit.
- All members' status will appear on the unit roster. You will see their renewal dates.
- At recharter, the Adults will be reapproved by the COR no matter when they join the BSA.
