

Sporting clays is a shotgun shooting game in which clay pigeons are presented to the gunner in ways that mirror the flight pattern of game birds, or occasionally rabbits, in their natural habitats. Sporting clays is exciting and challenging. The shooting grounds are laid out in stations (also called stands) with each station representing one type of bird or a combination of game: a rabbit and a grouse.

MISSION

The mission of the Scouting America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

VISION STATEMENT

The vision of the Golden Spread Council is to be the foremost youth program of character development and values-based leadership training in the Panhandles of Texas and Oklahoma.

The Golden Spread Council will continue in the future to:

- Deliver values-based programs of the highest quality to the greatest number of youth in our service area.
- Emphasize the aims of Scouting: building character, participating citizenship, and the development of physical, mental and emotional fitness.
- Offer our young people challenging fun and adventure that helps them reach their potential.
- Positively impact our local communities by recruiting and equipping deeply involved charter organizations and adult leaders that build values, skills, and leadership in our youth.
- Provide superior and safe facilities where our programs can be delivered consistent with the methods of Scouting
- Ensure the financial development of the council that will best carry out our mission and vision to provide for the future.
