Campmaster Information and Application

What is a Campmaster? Campmasters are a group of selected, trained, and registered Scouters who serve at council weekend camps whenever troops, packs, crews, or posts are using any part of the camp property. Duties include checking in and out units as well as reviewing the rules and policies and recording attendance. They also provide guidance and support to guests as needed/requested. They are always available if an emergency arises.

Who can be a Campmaster? Any registered adult, 21 years of age, who has completed and is current in Youth Protection. Be willing to serve from 6pm Friday through Noon on Sunday (with some exceptions based on camper reservations). Upon application, you will be considered based on past volunteering history, standing in your unit/district, past reliability, and support of the council. Selection will be made by a committee which includes the Campmaster Volunteer Coordinator, Camp Ranger, one key volunteer, and if needed, the Scout Executive.

When are you considered a certified Campmaster? Campmasters are trained by the Camp Ranger to understand rules and policies of the camp, emergency procedures, utility cutoff procedures, and check-in and checkout procedures. This training is provided before you are designated as a Campmaster. There is group training and individual training as needed.

How much do I need to commit for? Campmasters select their own time and frequency of service, but they usually serve two to four times per year depending on how many trained Campmasters we recruit. You do as much as you can!

Where will a Campmaster stay overnight? At Camp Don Harrington, you will stay in the Campmaster Lodge located near the front gate. This has a complete kitchen/dining room, living room, two bedrooms, and full bathroom along with a television and internet. You bring your own food, hygiene items, bedding, and towels for your stay. We have limited supply of soap and shower gel.

FAQS:

Can I bring my family and pet? Yes, you may bring your immediate family and pet if needed. We want this to be as friendly as possible. Pets must be kept inside unless accompanied at all times on a leash by the Campmaster or adult family member. They cannot be near any camper or program areas for safety reasons.

Can I participate with the units when they are doing program? If you are invited by the unit, you are welcome to enjoy any meals or activities with them.

How will I know what weekends a Campmaster is needed? Our council requires all units to make reservations at least 10 days before the requested arrival date. You will receive an email from our Campmaster Volunteer Coordinator with the needs of the camp at that time. Your chosen weekend may not have any reservations and you will not be required to attend HOWEVER, if you still want too, you are welcome. We will not have Campmasters at any council or district sponsored camps/events/trainings. We estimate there may be 24 weekend opportunities for Campmasters to choose from.

COUNCIL EVENTS

CAMPMASTER TRAINING (CONT'D)

What if I commit to a certain weekend and something comes up? We know things happen and we understand. The more time you can notify us there is an issue, the better. We will try to find another trained Campmaster to replace you on short notice.

Why doesn't the Camp Ranger do this job? The Camp Ranger's primary responsibility is the upkeep and maintenance of our camp. The Campmaster program will allow the Ranger to focus on their primary responsibilities while providing volunteers an opportunity to spend a weekend at camp with other scouters and scouts.

When will the trainings be held and where? Each camp will have 2 training courses, but you only need to attend one. They will be held on a weekend afternoon so you can choose one that best fits your schedule. We anticipate this will take 4 hours. We will cover rules and procedures, major facility tours, utility shutoff locations, equipment storage and checkout policy, check-in and check-out procedures, and Q and A. We will announce the dates soon. This program will start in January 2025 so trainings will be conducted in early and mid- December.

Do I need to bring my own food and drinks for the weekend? Yes. There is a full kitchen and typical kitchen items (pots, pans, dishes, utensils, etc.). Please, no alcohol and of course no smoking/vaping inside any building.

Will I be required to use my personal vehicle to drive around camp to check on units? No, we will have our "Gator" available for your use. This is for the driver and one passenger only. No one can ride in the bed and for insurance reasons, only adults 21 years of age may drive our vehicle. Also for insurance reasons, you may not bring or operate your personal 4 wheeler, razor, or equivalent vehicle onto camp property.

Can I bring my own firearms and use the ranges? No, BSA policy states that no personal firearms are allowed to be used on BSA Property.

When the Pool is open and no one reserved it, can me and my family use it? Yes! Please check with the Ranger for access and any other information he may want to share with you.

If I want to do a project at camp, can I discuss this with the Ranger ahead of time? That would be fantastic! Although you have Campmaster duties, there is plenty of free time to choose a project from the Ranger's list. Some are a few hours, and some are a whole day and you are welcome to pick what you are interested in.

GOLDEN SPREAD COUNCIL, BSA PREVIEW

2026 CAMP CARD SALE

Golden Spread Council, BSA/Scouting America

Youth join Scouting because the program provides excitement and adventure in camping in the great outdoors. That starts with unit leaders and parents encouraging ALL Scouts to attend a camping experience. To help pay for that experience, we offer two primary funding sources throughout the year—Popcorn and Camp Cards. Both provide parents the opportunity to help pay for camp and Scouts learn how to communicate with confidence, the value of money, salesmanship, proper budgeting, and the value of earning your own way.

The “Camp Card” is an easy fun program to help Scouts earn money to help pay for all types of summer camp or day camp adventures. And, the dollars earned can be used for other Unit approved Scouting activities as well (Talk to your Unit Leader for details). Scouts participating in this program will earn 50% commission (\$2.50) for each \$5 Camp Card they sell. The sale will begin on March 5, 2026, and end on April 17, 2026. Council monies due April 30, 2026. That gives Units 6 weeks to sell and a week to collect any unsold cards and/or monies due.

The Council TOP selling Cub Scout, Scouts BSA Scout, and Venture Scout will receive a \$200.00 Visa Gift

First United Methodist Church, 201 E Foster St., Pampa

**From a Traces of Texas
writer on Facebook,
here is a reflection on
the area of Adobe Walls
today:**

I was recently out about 30 miles northwest of Pampa to visit the spot where the Second Battle of Adobe Walls was fought. I've written about the battle in the past but had never visited the site, which even to this day is remote. It was really neat to stand there and survey the area, imagining the attack by hundreds of Kiowas, Comanches etc ... on what was then a tiny, isolated buffalo hunters outpost. One of the Comanches, by the way, was Quanah Parker.

While there, I took this photo of the distant ridge on which, on the third day after the battle, a group of warriors rode out onto to ponder what their strategy. One of the buffalo hunters was the legendary Billy Dixon. Using a Sharps Big Fifty rifle --- a single-shot with an octagonal, 34-inch barrel, firing a .50, 600-grain bullet driven by 125 grains of black powder --- Billy dialed in his adjustable rear peep sight and got ready. He was aiming for the group of riders on the bluff, rather than any one particular target, and in later years he would call it a lucky shot, though he would also note, "I was not without confidence in my marksmanship."

White Eagle, a medicine man who had prophesied victory in the battle, was orating to the rest of the assembled warriors and punctuated the heights of his oratory by raising his staff and shouting, "Today, the victory is ours!" At that very moment, a warrior named Ton-han-kah fell off his horse. It was a full 4.1 seconds later when the warriors heard the distant roar of Billy Dixon's Sharps rifle that had fired the shot.

"Some of the boys suggested that I try the big '50' on them," Dixon wrote of the incident later. "I took careful aim and pulled the trigger. We saw an Indian fall from his horse." Dixon believed his bullet had killed the warrior, but later Comanche accounts claim the wounded man was hit in the elbow and suffered a broken arm. The distance was later found to be 1538 yards --- roughly 7/8ths of a mile.

It was humbling to stand at that spot and ponder all that had happened there 149 years ago, and to see how far Billy's shot traveled. It would be extremely hard to duplicate it today, even with all the advancements in technology.
